

...fun in the sun at Holmes Run!

Why ? . . .

DO SOMETHING FOR YOUR SUMMER FUN NOW

- Do you want to really relax this summer?
- Want a summer resort just a step away from home?
- Do you want an escape from Virginia's summer heat?
- Do you wonder what you will do when the power is out and the air conditioning goes off?
- Do you want a place for the kids to have fun?
- Would you like to get a tan, lose weight, have healthful recreation?

If you answer YES

What ? . . .

The HRARA complex consists of three pools, the "first" pool (the original pioneer pool), the "new" pool, a large and handsome one with high and low diving boards, and a kiddie pool, all in a quiet setting.

The emphasis is on swimming, of course. There are free swimming lessons for children (and for adults if there is a demand), and life-saving courses. The swimming and diving teams compete in the Northern Virginia Swimming League (and very successfully too). There is an adult-only swim time of 10 minutes of every hour on the hotter days of the summer. And needless to say, there is good, competent supervision of the pool, as well as excellent teaching, and coaching of the teams.

But swimming is only part of the fun. There's a shaded area where you can picnic nearby. There is a permanent barbecue grill which you can use, and which has been used by local chefs in the past to prepare thrice-summerly feasts of shrimp or chicken or some other delicacy for special nights of feasting with friends and neighbors. We've also had free adult-night movies. Teens have a night of their own each week, and adults another night for moonlight, or man-lighted, swimming.

Come see our pools—Gallows Road east of Woodburn School. The setting is delightful, three shining jewels set in a quiet wooded glade! What better resort?

How ? . . .

SWIM THIS SUMMER ON THE HRARA HIRE PURCHASE PLAN

The HRARA Time Payment Plan is an easy way to assure your summer pleasure. Monthly payments, beginning on April 1, start at \$50. You can begin swimming after the third payment. Payments drop in amount in August and continue until your share of stock plus the annual maintenance fee is paid (last payment in February). You are then a full-fledged member, and you'll be the proud owner of a share of Holmes Run Acres Recreation Association stock.

Or a share of stock can be bought outright. Shares are bought back by HRARA at book value if you ever desire to sell your share.

Summer memberships (which permit swimming for one summer only) are also available, but are limited in number.
